CA MUTCD Part 2B (Regulatory Signs) and Part 6F

FIELD USE NOTES

A regulatory sign stating that the road is closed to all traffic, posted at the closure point typically on a barricade across the roadway. In the field, R11-2 Road Closed is typically positioned at the at the closure point (activity area), typically on a barricade. Common deployments include full roadway closures at the closure point; mounted on Type III barricades; used with W20-3 advance warning and detour markers. Always confirm its size, retroreflective sheeting, spacing, and placement against the CA MUTCD 2026 and the reviewing agency before finalizing the traffic control plan.
