

R9-7

Shared-Use Path Restriction

**CATEGORY**

Pedestrian & Sidewalk Closure Signs

SHAPE

Rectangle

COLOR

White background, black legend

TYPICAL CA MINIMUM SIZE

24" x 12" to 24" x 18" (pedestrian sign)

COMMON TCP PLACEMENT

At and in advance of the pedestrian/sidewalk closure

CA MUTCD REFERENCE

CA MUTCD Part 2B (pedestrian/sidewalk regulatory signs) and Part 6F

FIELD USE NOTES

The R9-7 Shared-Use Path Restriction sign is a California MUTCD pedestrian / bicycle sign. It is shown here as an educational reference with the official FHWA Standard Highway Signs layout and California sizing guidance. In the field, R9-7 Shared-Use Path Restriction is typically positioned at the at and in advance of the pedestrian/sidewalk closure. Common deployments include used where shared-use path restriction conditions apply on a California project; selected and sized per the CA MUTCD and the roadway type; coordinated with the overall traffic control plan and permit. Always confirm its size, retroreflective sheeting, spacing, and placement against the CA MUTCD 2026 and the reviewing agency before finalizing the traffic control plan.
